Contact us for a personal quote.

*Excluding United Kingdom and Switzerland.

**If you already have a private medical plan or if you benefit from a National Health scheme, you already benefit (to check) from a 25 000 € cover

My husband had a heart issue, hence the reason why he was taken to hospital in Spain. I had a first contact call with a nurse just before our repatriation to Nantes in France. Ever since, she has provided me with advice which is very important for me as I know very little about medical issues.

Karine Nantes
